AFFIDAVIT IN SUPPORT OF CRIMINAL COMPLAINT

I, Sokho Hwang, being first duly sworn, depose and state the following:

1. I am a Senior Special Agent (SSA) with the United States Department of Homeland Security (DHS), U.S. Immigration and Customs Enforcement (ICE), and have been so employed for seven years. Prior to my employment with ICE, I was a Special Agent with the U.S. Customs Service for approximately three years. During my career in the Federal Government, I have conducted investigations involving the possession and importation of controlled substances and have received training in the investigation of violations of the Controlled Substances Act as found in Title 21, United States Code.
2. The information enumerated in the paragraphs below, furnished in support of this affidavit, is derived from my own observations and based upon the observations of United States Customs and Border Protection (CBP) Officers and United States Immigration and Customs Enforcement (ICE) Special Agents. Because this affidavit is being submitted for the limited purpose of establishing probable cause for this arrest, the affidavit may not contain every fact known to me during the course of this investigation.
3. On October 19, 2010, Juan Bautista AGREDA-Chindoy, a Colombian national, arrived at Bush Intercontinental Airport (IAH) in Houston, Texas, on Continental flight 882 from Bogota, Colombia. AGREDA-Chindoy was scheduled to depart IAH later that day on a connecting flight, to Portland, Oregon.
4. Customs and Border Protection (CBP) Officer George Haas who was working as a Primary officer in Passport Control selected AGREDA-Chindoy for a secondary baggage inspection due to conflicting answers provided by AGREDA-Chindoy regarding where he was traveling to. AGREDA-Chindoy, who was traveling to Portland, Oregon, said he was traveling to New York and displayed nervousness when asked how many bags he was traveling with.

5. CBP Officer Jaime Alcocer inspected AGREDA-Chindoy in baggage control secondary inspection. While conducting an inspection of AGREDA-Chindoy's baggage, CBP Officer Alcocer approached AGREDA-Chindoy who was traveling alone and questioned him regarding the purpose of his trip and where he was headed. AGREDA-Chindoy stated that he was headed to Oregon, New York, and then San Francisco. CBP Officer asked AGREDA-Chindoy if he had anything to declare. AGREDA-Chindoy stated he did have medicine that he would like to declare. According to the CBP Form 6059B, AGREDA-Chindoy did not declare the medicine. During the examination of the two suitcases, CBP Officer Alcocer noticed four plastic bottles that contained what AGREDA-Chindoy referred to as medicine. CBP Officer Alcocer recognized the same plastic bottles from a similar seizure that happened last week at the IAH where the substance examined by the CBP lab tested to be Dimethyltryptamine (DMT), a Scheduled I controlled substance. A field test was conducted on the current plastic bottle which field-tested positive to contain Morphine. CBP weighed the contents of the four bottles and one bottle of the same substance in a powder form to be approximately 8355 grams.

7. At approximately 2:35 p.m., I arrived at the scene. At approximately 4:30 p.m. on October 19, 2010, after Senior Special Agent Hector Villareal advised AGREDA-Chindoy of his Miranda rights, AGREDA-Chindoy said he was willing to speak with agents without an attorney. AGREDA-Chindoy stated he knew that the medicine was a narcotic. AGREDA-Chindoy also stated that the substance is illegal in Colombia unless you are licensed. AGREDA-Chindoy stated that he is a licensed medicine man. AGREDA-Chindoy stated that the medicine is used for heroin addiction and he was going to Oregon to give it to friends. For his troubles, he will be paid approximately \$1,000. AGREDA-Chindoy stated he had made four similar trips in the past.

8. Analysis of one of the bottles containing the liquid substance and the bottle containing the powder substance by the CBP Laboratory determined that the liquid substance contained Dimethyltryptamine (DMT), a Scheduled I controlled substance, while the powder substance did not contain any controlled substance.

9. Based on my experience and the aforementioned facts and observations, the affiant believes there is probable cause to believe that AGREDA-Chindoy did knowingly,

intentionally and unlawfully possess with intent to distribute, 500 grams or more of a mixture or substance containing a detectable amount of dimethyltryptamine, a Schedule I controlled substance, in violation of Title 21, United States Code, Sections 841(a)(1) and 841(b)(1)(C), and did import into the United States from a place outside thereof, a Schedule I controlled substance, believed to be dimethyltryptamine, in violation of Title 21, United States Code, Section 952(a).

CBP Seizes Hallucinogenic Drug Hidden In Shampoo Bottles

Release Date: Fri, 02/09/2018 - 12:00

BUFFALO, N.Y. – U.S. Customs and Border Protection officers at the Peace Bridge seized more than 3.5 kilograms of N,N-Dimethyltryptamine (DMT) a hallucinogenic substance listed as a Schedule I drug under the Controlled Substances Act of 1970.

CBP officers at Peace Bridge encountered Bumper Fisher, age 42, citizen of Canada, applying for admission to the United States. Officers became suspicious about Fisher's intent during primary inspection and referred him for further examination. During an inspection of his vehicle, officers discovered three bottles labeled "shampoo" in the rear passenger foot well. The substance in the bottles tested positive for DMT.

"CBP officers remain vigilant and work hard to keep our communities safe," said Acting Port Director Cary Frieling. "Our officers' experience, combined with the use of available tools, continues to keep dangerous drugs from entering our country."

The drugs were seized and Fisher was arrested and turned over to the Buffalo Police Department to face charges.

While anti-terrorism is the primary mission of U.S. Customs and Border Protection, the inspection process at the ports of entry associated with this mission results in impressive numbers of enforcement actions in all categories.

**AFFIDAVIT AND APPLICATION FOR ARREST WARRANT
AND THE ARREST WARRANT FOR THE PERSON(S) OF:**

Tina Marie Courtney; Date of Birth 5-31-1975, SSN: 517-13-2413; for the charges:

§ 18-18-405(1),(2)(a)(I)(A) – Conspiracy to distribute a controlled substance; to wit, dimethyltryptamine; a level 1 drug felony

§18-18-405(1),(2)(a)(I)(A);18-2-101 – Criminal attempt to possess with the intent to distribute a controlled substance; a level 2 drug felony

I, Detective Robert Foster #13065, the Affiant, state under oath that the facts known to the Affiant which establish probable cause to believe that a criminal offense was committed, and that the offense was committed by the above-named person(s), are the following (Note: Because this affidavit is submitted for the limited purpose of establishing probable cause in support of the application for an arrest warrant, it does not set forth each and every fact that Your Affiant or others have learned during the course of this investigation):

Source of Activity:

On 3-4-2022 a package shipped by DHL was intercepted by Customs and Border Protection (CBP) in Miami, Florida. The package, which originated from Brazil, was shipped to "Tina Kat Courtney" of 1801 Wewatta Street 11th Floor in the City and County of Denver and the State of Colorado. This location was later found to be the "Serendipity Labs" co-working space. Within the package were two liquid containers labeled as furniture polish. The substance inside was a dark colored viscous syrup. CBP conducted a routine examination of the substance which tested presumptive positive for the presence of dimethyltryptamine (DMT); a hallucinogen and a Schedule I controlled substance in the State of Colorado.

CBP transferred the package and its contents to Homeland Security Investigations (HSI) in Denver, Colorado who ultimately transferred the items and primary investigative authority to Your Affiant. Your Affiant is a duly sworn and appointed detective with the Denver Police Department currently assigned to the District Six Narcotics Investigations Unit. Your Affiant's primary responsibilities include investigating violations of criminal laws related to the unlawful distribution of a controlled substances. Your Affiant has prior training and experience with criminal investigations involving the unlawful possession, processing/manufacturing, and distribution of DMT and Ayahuasca¹. Your Affiant found that the liquid DMT substance had an appearance consistent with that of Ayahuasca.

¹ A hallucinogenic beverage which contains DMT.

The Denver Criminal Laboratory tested the dark syrup substance and found that it tested presumptive positive for DMT with a net weight of 1,795.4 grams.

Investigation:

Your Affiant accessed a law enforcement open records database and found that the telephone number on the shipping label – 323-251-2612 – is a Verizon Wireless line registered to Tina Courtney of 2130 Eliot Street. This location is also within the City and County of Denver and the State of Colorado. Your Affiant queried this name through the Colorado Department of Motor Vehicles (DMV) database and found one such person: Tina Marie Courtney (Date of Birth 5-31-1975); herein referred to as “Courtney.”

Your Affiant perused a variety of online open-source platforms including social media accounts and organizations owned and/or operated by Courtney. In reviewing these sources of information, Your Affiant found that Courtney is a proponent of the use of Ayahuasca and other hallucinogenic controlled substances. Your Affiant further learned that Courtney was organizing an upcoming trip to Mexico, for financial gain, during which she and her associates would be administering Ayahuasca to “up to 29” participants.

An undercover controlled delivery operation was planned on 3-17-2022. During this operation Your Affiant requested that DHL update the package’s tracking information to reflect that it was “out for delivery.” The operation was ultimately cancelled. Your Affiant obtained a search warrant for records related to any involvement between Courtney and Serendipity Labs. On 3-18-2022 Your Affiant served the search warrant to Serendipity Labs and learned that Courtney had a dedicated office space at the location which had recently been cancelled. Your Affiant also learned that less than one hour after DHL tracking information was updated, Courtney sent an e-mail to Serendipity Labs indicating that she was expecting one last package at the co-working space. On 3-28-2022 this case was electronically presented to the Denver District Attorney’s Office and tentatively accepted for prosecution.

Based on the above facts, Your Affiant respectfully requests issuance of this arrest warrant:

NARRATIVE

On March 18th, 2021 Cpl. Gajek of the Dearborn Narcotics Unit obtained an anticipatory residential search warrant for [REDACTED] in the city of Dearborn, county of Wayne, state of Michigan. The warrant was reviewed and approved by APA Anna Bickerstaff and signed by Judge Somers of the 19th District Court.

The search warrant was based on information received by Homeland Security Investigations (HSI) Miami International Airport that they received a mail parcel containing 1.4 kilograms of Dimethyltryptamine (DMT) and another unknown pink powdery substance labeled as "CamuCamu" that came through the United States Postal Service (USPS). The parcel arrived to Miami International Airport inbound from Peru and had a final destination of [REDACTED] in the city of Dearborn. The parcel was addressed to [REDACTED]. The parcel was flagged for anomalies by Customs Border Patrol who sent the substances to their labs identifying one of the substances as DMT. HSI Miami forwarded the package to HSI Detroit who notified the Dearborn Narcotics Unit.

On March 17th, 2021 Cpl. Gajek met with HSI in Detroit and took custody of the package and the contents that were destined for [REDACTED]. Cpl. Gajek transported the parcel and its contents to the Dearborn Narcotics Office. Cpl. Gajek removed the suspect drugs that included the DMT and the unknown pink powdery substance from the parcel package and secured these items in the locked narcotics vault.

WAYNE COUNTY PROSECUTING ATTORNEY'S RECOMMENDATION

On March 19th, 2021 the Dearborn Narcotics Unit with the assistance from Dearborn Special Operations Unit, Dearborn Tac Team, HSI and USPS briefed to execute a controlled delivery and search warrant at [REDACTED]. A sample of the DMT and a sample of the pink powdery substance was placed into the original repackaged into the original parcel that was intended for [REDACTED]. A GPS tracker was also placed inside the package. Cpl. Baydoun conducted stationary surveillance at [REDACTED] and Postal Inspector Rose, who was working in an undercover capacity, arrived to the address in a fully marked mail truck and marked postal uniform. PI Rose exited the mail truck with the package containing the suspected DMT and approached the residence. PI Rose knocked on the front door and rang the doorbell. A male answered the door and Inspector Rose was able to positively identify the male as [REDACTED] who was the listed intended party the package was addressed to. Cpl. Baydoun, who was in a stationary positive was also able to positively identify the male at the door as [REDACTED]. PI Rose confirmed [REDACTED] received and took the package inside the residence which was also confirmed via the tracker.

Approximately an hour after the package was delivered, Cpl. Baydoun observed [REDACTED] back out of the driveway in a white Honda Accord MI Plate EAJ0062 and drove away from the area. [REDACTED] was gone for approximately 45 minutes before returning back to the residence. The GPS revealed the parcel never left the residence from the time it was delivered and brought inside the residence.

After approximately a half hour of [REDACTED] returning back to the residence, members of the Dearborn Narcotics Unit, Special Operations Unit, Dearborn Tac Team and HSI executed the search warrant. Cpl. Baydoun maintained stationary surveillance. Members of the entry team comprised of Sgt. Faith, Sgt. Urbiel, Cpl. Donaldson, Cpl. Willmuth, Cpl. Meier, Cpl. Greb, approached 1101 Linden. Cpl. Gibson, Cpl. McCollum, Cpl. Hornyak, Cpl. Gajek and Task Force Officer Easley provided perimeter support. Sgt. Faith knocked several times loudly and Cpl. Donaldson announced police search warrant. Cpl. Gibson advised that the back door was opened and then advised it was slammed shut. After there was no answer at the front door after several loud knock and announcements, Cpl. Greb utilized the ram and entry was made. Officers secured the residence and detained [REDACTED].

Once the residence was secured a systemic search of the residence was conducted and located the following:

Kitchen: Sgt. J. Urbiel and Cpl. Baydoun conducted a search of the kitchen of [REDACTED]. Cpl. Baydoun located a coat on the stairwell wall that he observed [REDACTED] wearing while driving prior to the execution of the search warrant. Inside the left coat pocket, Cpl. Baydoun located a wallet belonging to [REDACTED] (.007). The wallet contained [REDACTED] Michigan Driver's License in it, along with other miscellaneous cards and receipts. Inside the right coat pocket, Cpl. Baydoun located a grey iPhone 11 Phone (.006) with a black protective case was found.

Basement: Sgt. R. Faith, and Cpl.'s M. Greb, N. Hornyak, and K. McCollum conducted a search of the basement at [REDACTED]. Sgt. Faith and Cpl. McCollum located the delivered package (.005) in the television cabinet. The package contained a sample of the DMT (.001) as well a sample of an unknown pink powder (.003). Near the same package in the television cabinet, a glass jar containing suspected Psilocybin (.008) was found by Sgt. Faith and Cpl. McCollum. In a file cabinet, three containers with an unknown greyish substance (.009) were found in the lower drawer by Cpl.'s Greb

WAYNE COUNTY PROSECUTING ATTORNEY'S RECOMMENDATION

and McCollum. In the same file cabinet, Cpl.'s Greb and McCollum found a white box containing nine more containers with an unknown greyish substance (.010). Also found in the file cabinet in the lower drawer, Cpl.'s Greb and McCollum found two Scan Disks (.014). Cpl.'s Greb and McCollum also found paperwork belonging to [REDACTED] (.011) in the lower drawer file cabinet. Sgt. Faith and Cpl. McCollum located a USPS Receipt (.012) in a desk drawer by the stairwell. On the same desk, paperwork for [REDACTED] (.013) was found by Cpl. Greb. A Silver Apple Laptop (.015) was located on top of the desk next to the TV Cabinet by Sgt. Faith and Cpl. McCollum.

Main Floor Southeast Bedroom: Cpl.'s Donaldson and Willmuth conducted a search of the main floor southeast bedroom. Cpl.'s Donaldson and Willmuth located an iPhone in a clear protective case (.016) in the bedroom dresser. They also found an iPad in a black protective case (.017) on the bedroom nightstand.

Cpl. Baydoun took custody of all evidence and transported same to the Dearborn Narcotics Vault. Cpl. Baydoun utilized TruNarc and Nik Preliminary Testing to attempt to identify all suspected seized narcotics with inconclusive results. Cpl. Baydoun tagged, logged, and secured all evidence in the Dearborn Narcotics Vault.

During the course of the search warrant, Evidence Technician Cpl. Zachary was on scene to process and photograph as evidence was located. Cpl. Zachary first photographed the exterior of the home from all four sides. A vehicle was parked in the driveway of the home. Cpl. Zachary took pictures of the vehicle from all four sides including the license plate and VIN. Cpl. Zachary entered the home and responded to the basement. Cpl. Zachary took overall pictures of the basement detailing several items that were pointed out by the narcotics officers. Cpl. Zachary responded to the southeast bedroom which belongs to the suspect. Cpl. Zachary took overall pictures of the room detailing a cell phone and tablet. All photographed items were collected by the narcotics officers. The listed SD Card contained the photographs was sealed in an envelope, marked and submitted to the crime lab.

[REDACTED] was subsequently arrested for possession with intent to deliver narcotics and transported to the Dearborn Jail. His property (\$0 Cash) was secured in property locker #36.

[REDACTED] was turned over to booking officers for further booking procedures who placed him in cell #36

INTERVIEW OF [REDACTED]

On March 19th, 2021 at approximately 15:35 hours, Cpl. Gajek and PI Rose conducted an in-custody interview of [REDACTED] in the Dearborn Police Department interview room.

[REDACTED] was provided a copy of the Constitutional Rights Certificate form by Cpl. Gajek.

[REDACTED] read the form aloud and acknowledged he understood his rights. [REDACTED] was asked if he had any questions regarding the form. [REDACTED] then freely, knowingly and voluntarily gave the following verbal statement to Cpl. Gajek and PI Rose.

[REDACTED] stated that he has been living at [REDACTED] for the last year after living in Argentina for several years. [REDACTED] stated that his brother was taking care of their elderly mother at [REDACTED] but eventually moved to Maryland. [REDACTED] stated he felt it was best that he and his wife move from Argentina to [REDACTED] because of Covid and to take care of his mother.

WAYNE COUNTY PROSECUTING ATTORNEY'S RECOMMENDATION

When asked about the events today, [REDACTED] stated that he answered the door and a mailman delivered a package. [REDACTED] stated that he accepted the package and took it from the mailman and brought it inside the residence. When asked about the contents of the package, [REDACTED] stated that the package he ordered was CAMUCAMU that he described as a plant medicine that comes from and is grown in Peru. [REDACTED] stated the package was ordered from Peru. When asked what is CAMUCAMU used for, [REDACTED] stated is used to fortify the body and is good for the immune system.

When asked about knowing why police arrived at his residence, [REDACTED] stated an officer mentioned DMT. When asked if he was aware what DMT was, [REDACTED] stated yes he knew of it and described it as a mind-expanding drug. When asked if he ever used it before, [REDACTED] stated that he has never used straight DMT but has used Ayahuasca in Peru where it is legal. [REDACTED] stated Ayahuasca has DMT in it and he has used it in a drink form while staying in Peru.

When asked about how he order the package containing CAMUCAMU, [REDACTED] stated he ordered it online and it was the first time he has ordered online from another country. [REDACTED] stated he couldn't remember the website but he has searched it online. When asked if he paid by credit card he stated yes and further stated that he received an email confirmation and tracking number that he checked regularly. [REDACTED] stated he learned of CAMUCAMU from his time spent in Peru and that is the only time he has used it. Cpl. Gajek and PI Rose concluded the interview and [REDACTED] was returned to his cell.

Due to the preliminary field tests were inconclusive, [REDACTED] was released pending and the recovered suspected narcotics were submitted to the MSP lab for analysis.

On April 23rd, 2021 MSP laboratory report was returned. The MSP analysis revealed that the substance listed in tag #.001 was identified as Dimethyltryptamine with a total weight of 4.39 grams. The analysis revealed that the substance listed in tag #.002 was identified as Dimethyltryptamine with a total weight of 1292.0 grams. The analysis revealed that the substance listed in tag #.005 was Psilocyn and/or Psilocybin and had a total weight of 3.25 grams. The analysis revealed that the substances listed in tag #'s .003, .004, .006 and .007 were not controlled substances.

A CCH of [REDACTED] revealed no prior drug history.

60 Pounds of Dimethyltryptamine Seized by CBP Officers

Release Date: Tue, 06/23/2020 - 12:00

LOUISVILLE, Ky—U.S. Customs and Border Protection (CBP) officers in Louisville intercepted almost 60 pounds of Dimethyltryptamine (DMT) at the Express Consignment Operations hub on June 23.

CBP officers inspected the parcel based on their

knowledge and experience of the shipper and receiver. The shipment was coming from Brazil and heading to an art and crafts business in the Netherlands. Upon inspection, multiple bags containing reddish-brown material was discovered. Based on prior lab reports, seizures, shipper, and similarities in the material and labeling, the substance was identified as DMT, a schedule I controlled substance.

"Our officers are committed to keeping our country and communities safe from illegal and dangerous drugs," said Thomas Mahn, Port Director, Louisville. "I commend our officers for the work they do every day to make the world a safer place."

According to a DEA document, DMT is used for its psychoactive effects. The intense effects and short duration of action are attractive to individuals who want the psychedelic experience but do not choose to experience the mind altering perceptions over an extended period of time as occurs with other hallucinogens, like LSD. The history of human experience with DMT probably goes back several hundred years since DMT usage is associated with a number of religious practices and rituals. As a naturally occurring substance in many species of plants, DMT is present in a number of South American snuffs and brewed concoctions. In addition, DMT can be produced synthetically. Like other hallucinogens, Internet sales and distribution have served as the source of drug supply in this country. According to the National Forensic Laboratory Information, DMT is generally smoked or consumed orally in brews.

CBP conducts operations at ports of entry throughout the United States, and regularly screens arriving international passengers and cargo for narcotics, weapons, and other restricted or prohibited products. CBP strives to serve as the premier law enforcement agency enhancing the Nation's safety, security, and prosperity through collaboration, innovation, and integration.

U.S. Customs and Border Protection is the unified border agency within the Department of Homeland Security charged with the management, control and protection of our nation's borders at and between official ports of entry. CBP is charged with securing the borders of the United States while enforcing hundreds of laws and facilitating lawful trade and travel.

Memphis Seizes 6 Kilos of DMT en route to Arkansas

Release Date: Mon, 07/26/2021 - 12:00

On Wednesday, June 9, U.S. Customs and Border Protection (CBP) Officers at an express consignment hub in Memphis, Tennessee examined a package described in the paperwork by the shipper as "PLANT SUBTRACT PREMIUM GRADE HORTI CULT." The shipment was sent from Mexico City to a residence in rural northeast Arkansas.

When the shipment arrived at the CBP exam area, it was opened and found to contain three silver bags of an unknown brown/tan plant. The shipment was tested on site by the Savannah lab and identified as N-Dimethyltryptamine (DMT).

The total weight was 6.1 kilos.

DMT can be used by researchers under a schedule I research registration that requires approval from both DEA and the Food and Drug Administration. However, this shipment was most likely meant for illicit use. According to the DEA, "The intense effects and short duration of action are attractive to individuals who want the psychedelic experience but do not choose to experience the mind altering perceptions over an extended period of time as occurs with other hallucinogens, like LSD. DMT is generally smoked or consumed orally in brews like Ayahuasca."

The shipment was turned over to Homeland Security Investigations who followed it to its intended destination, making three arrests along with seizing various other drugs.

This seizure took place within the Area Port of Memphis, which covers ports of entry throughout the state of Tennessee and falls under CBP's New Orleans Field Office. This Field Office includes all ports in Louisiana, Mississippi, Alabama, Arkansas and Tennessee.
